

VISION

We provide customized manufacturing and aftermarket services to support essential capital equipment in a wide range of markets.

MISSION

We deliver our customers a compelling value-add progression from private label to licensed agreements to product buyouts.

VALUES

We have a growth-makes-us-better mindset, and operate a safe, diverse, lean, and integrity-driven business.

STRATEGY

We engage with new and old customers seeking win-win collaborative solutions, for complex manufacturing and product lifecycle management challenges.

TO ENABLE QCC'S TEAM DISCIPLINES ...WE WILL:

- **Seize Opportunities** ... knowing what 'good looks like,' we immediately engage on good new projects
- **Implement Flawlessly** ... using teamwork to achieve our customer's objectives
- **Execute Perfectly** ... knowing we are only as good as our last meal served
- **Improve Continuously** ... sustaining a life-long pursuit of improvement helps ourselves and our business
- **Innovate Relentlessly** ... continuing to remain globally competitive, we must think and act creatively

TO LIVE QCC's R.A.R.E. TEAM CULTURE...WE WILL:

- **Remain Relational** ... remembering that people are more important than problems
- **Act our Best Selves** ... a collective positive attitude determines our team's success
- **Return to Joy** ... when we stumble, we apologize and quickly return to a positive outlook
- **Endure Hardship Together** ... by upholding our R.A.R.E. culture, we turn lemons into lemonade

TO ACHIEVE QCC'S TEAM GOALS...WE WILL:

- **Uphold Safety-First Attitude** ... promoting safety first in everything we do
- **Perfect Quality and Delivery** ... striving for perfection helps ensure world-class performance
- **Be a Preferred Investment** ... delivering so that our shareholders provide capital for growth
- **Promote a Sense of Urgency** ... responding immediately to those in need means we care
- **Care for our Global Community** ... urgently helping those who need it wherever they are
